*But how can they call on him to save them unless they believe in Him? And how can they believe in him if they have never heard about him? And how can they hear about him unless someone tells them? And how will anyone go and tell them without being sent? That is why the Scriptures say, "How beautiful are the feet of messengers who bring good news!"* ROMANS 10:14-15 NLT

Dear Friend in Christ,

In John 17, Jesus prayed for unity in the Body of Christ "...so that the world will know that you sent me." At Wycliffe Associates (WA), we are witnessing this unity manifested in the partnerships we have developed to support the advancement of God's Word into all parts of the world. It is my sincere pleasure to welcome **HOLLY EMMERICH** to the Wycliffe Associates family in Africa and commend her service to you.

Holly brings to WA a lifetime of mission involvement that has taken her into countries throughout the world. Her dedication and love for the Lord are demonstrated now by her willingness to accept a unique and untested dual assignment with our Wycliffe partners in Cameroon.

As Site Volunteer Coordinator (SVC), Holly will identify new service opportunities to strengthen our network of translators and partners already at work in the field. In a brand-new role, Holly will act as Onsite Recruiter, reaching remotely from Cameroon to assist, support and encourage new staff in America as they prepare for long-term assignments in Africa. Through Holly's efforts, doors will open to expanded relationships and to more timely completion of nearly 80 unfinished translations in this highly strategic location.

Holly is fully committed to God's new direction for her life. In order to live and work in Cameroon for the next two years, Holly will require **\$2,128.00 per month** in on-going financial support. Her planned departure on October 1st is dependent on her raising the full amount of her financial support.

There are several important ways you can support Holly and rejoice along with her as she experiences God's faithfulness in providing for her needs. **Prayer** is the most fundamental work we do in His kingdom. As a **prayer partner**, will you commit to pray daily for Holly and for the work God has placed before her?

If you have not yet committed to regular financial support for Holly, now would be a great time to do so. You may make your decision known by going on line to the website listed below and completing your designation into Holly's ministry account with WA.

On Holly's behalf, I am asking you to prayerfully consider becoming a member of her team of faithful partners. Through your financial gifts to Holly in any amount the Lord lays on your heart, you, too, are a partner with Wycliffe Associates in the critical work of Bible translation in Africa. You, too, will be making a difference in the lives of millions who have never heard scriptures read or spoken in their own heart language.

I personally **thank you** for all that you do, through Holly, to help to accomplish the unfinished task ahead of us.

Working together in Christ,

Deborah Bartow,  
Vice President of Recruiting
