Thanks to those of you who have written and expressed an interest in helping introduce the musical ministry Gloria and I have to your church (and others). One person wrote and said they forwarded our last email to over 100 friends in ministry. Cindy Marshall at Hardy Central Baptist Church near Richmond called just moments after reading Tuesday's email and invited us to come and perform *Noah's Incredible Cruise* with 25 to 30 of the children in their church this November. (Poor Cindy must have worried about me as we spoke. I had to fight back tears because I felt God wrapping His arms around me through her invitation and encouraging words.)

We are working at getting a ministry calendar posted on our website. I'll let you know when it is there. Of course we would like to put YOUR church name on that calendar so keep praying and reminding "the powers that be..." We've a long way to go to fill up those dates.

Incidentally, I recently checked into bringing a Christian comedian to perform at the Playhouse in Washington. Good I was sitting down when his agent told me it would only cost **\$9,500 plus lodging and 2 airline tickets** from Los Angeles. GULP! (I had never actually even *heard* of this guy until someone suggested we try to bring him in...)

Please remember that *Gloria and I do not set a fee* to minister in churches...we just leave that up to you and the Lord. [CLICK HERE](#) to review our biography and see the selection of musicals we perform in churches. (Gloria wrote them and I promise they're as good as the ones you see at the Playhouse.)

Finally, we want to ask you to do something for us. As always we need your help getting our summer musical announcement into your church bulletins. I am posting two pictures here for you as well. You can copy and make a poster or flyer with them...or, you can even send them to the person in your church that puts those overhead projector "Power Point" slide shows together and ask them to include us in the Sunday presentations for the next number of weeks. If you wish, we've even got a ready-made Power Point presentation prepared for you on our website. Send this link (http://www.rockyhockplayhouse.com/publicity_posters.html) to your church secretary or technician and they can download the brief presentation. This is something new we are trying. Do what you can to get the presentation on your sanctuary screen this Sunday!!

Here is a good sample bulletin announcement. Feel free to copy and paste it into an email you can forward to your church secretary:

The Rocky Hock Playhouse is presenting the musical **David (A Man after God's Own Heart)**, by Gloria Emmerich, this summer from July 15 - August 14. A day trip to Washington would

make a perfect outing for a Sunday school class, the youth group, the choir, our seniors, and our families. The Playhouse also has a wonderful on-site buffet restaurant called Mrs. Cromley's Country Buffet. The theatre is newly remodeled and seats 1000 people. Performances are on Tuesdays, Thursdays, and Saturdays. Call 252-482-4621 for tickets and information. www.rockyhockplayhouse.com.

Lots of you tell me you are coming to the show...no time like the present to put those groups together and make your reservations!! The show runs July 15 through August 14. It will be here in no time at all.
